Who I Am

Dave is Here

Conveniently located only 9 minutes from downtown Boise, Dave Earnest Audio offers a wide range of audio production, recording, and composing services. Using my 35 years experience in the audio production industry, and a lifetime of musical experience, I'll add that extra polish that will make your video or radio project stand out. Mixes are delivered on time, within your budget, with the utmost care, creativity, and efficiency. And it's all wrapped up in a friendly atmosphere.
